

DIVERSITY, EQUITY, & INCLUSION COMMITMENT

At APG, we are committed to providing equal opportunity for all individuals. We believe that a workplace where everyone is treated fairly and with respect is essential for our success as a manufacturing company. We value the diverse background and experiences of our employees, customers, and stakeholders.

We are dedicated to ensuring that all employment decisions are based on merit, qualifications, and performance, without regards to race, ethnicity, gender, sexual orientation, religion, ability, age, or socio-economic background.

We strive to create a welcoming environment where everyone feels valued and respected, and where collaboration and open communication are encouraged.

We believe that by focusing on individual merit and fostering a culture of respect, we can build a stronger, more innovative, and harmonious workplace for our company, employees, and the communities we serve.
