Supplier's Declaration of Conformity (SDoC)

(47 CFR § 2.1077 Compliance Information)

Manufacturer

Automation Products Group, Inc.
1025 W 1700 N, Logan, UT 84321, United States
Phone: +1 (435) 753-7300

Product Identification

Product Name: Scout
Model Number(s): SCT
Description: wireless monitoring device that uses Bluetooth® Low Energy to support device configuration, commissioning, and local data access

Contains

ESP32-S3 WROOM 1,
FCC ID: 2AC7Z-ESP32S3WROOM1
IC ID: 21098-ESP32S3WROOM1

Compliance Statement This device complies with Part 15 of the FCC Rules. **This equipment has been tested and found to comply with the limits for a Class B digital device.** Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesired operation.

Applicable FCC Rules

- FCC Part 15, Subpart B – Unintentional Radiators (Class B)
- FCC Part 2, Subpart J – Supplier's Declaration of Conformity

The module has been certified separately. The host device complies with FCC requirements for unintentional radiators and integration conditions.

RF Exposure Statement

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. The device should be installed and operated with a minimum distance of 20 cm between the radiator and the user.

User Information

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
